WaveLink: Trusted Feedback for High-Traffic Businesses

Transforming footfall into verifiable digital assets in the Bangladeshi economy.

2024 Confidential Investor Presentation

WAVELINK TECHNOLOGIES | DHAKA, BANGLADESH

The **Trust Gap** in Physical Businesses

Businesses struggle to capture verified feedback. In Bangladesh, millions of transactions happen daily, but 80% of customer sentiment is lost to the "Analog Void."

Silent Customers

Most customers leave without a trace.

Unverified Data

Paper forms are ignored or faked.

Lost Revenue

Poor online ratings drive customers away.

Built for Trust-Sensitive Businesses

Clinics

Patient confidence
through verified
reviews.

Salons

Transforming service
quality into digital
social proof.

Gyms

Capturing post-
workout engagement
instantly.

Turfs

Data-driven
management for
sports hubs.

One tap. Verified feedback. Measurable growth.

Clinics & Diagnostic Centers

Building Patient Trust

In healthcare, trust is the primary currency. WaveLink allows diagnostic centers to capture real-time patient sentiment at the point of care.
